## **'Smart Locker' is a smart way to go!**

---

Libraries Tasmania has installed a 'Smart Locker' at Chigwell Child and Family Centre.

Members who have items to collect, such as books, magazines, DVDs and CDs, can pick them up from the locker when it best suits them.

The stylish new Smart Locker is easy to use and gives families a place to collect library items they have placed on hold without having to travel to a library.

Find out more about putting items on hold to be picked up at the Chigwell Child and Family Centre, visit [libraries.tas.gov.au](http://libraries.tas.gov.au) or ask about the service when you next visit your local library.
